Central Baptist Weekday Early Education Program (WEE) was started in 1982. It provides a program of preschool classes for three through five year olds.

The purpose of the WEE Program is to provide development for each child to his/her greater potential; spiritually, mentally, physically, emotionally, and socially. This is accomplished by providing learning and development experiences consistent with Christian principles. WEE will give your child introduction to shapes, colors, letters, numbers, and various experience with scissors, colors, glue and paints; as well as being subject to fun activities with other preschool age children.
